Congratulations go to Jamie Kealy, Wayne Cunningham, Margaret Eisenman and Len Sawyer for their placement in the Novice, Advanced and Expert divisions at the Richmond Woodcarving Show & Competition.

We had two guests at the last meeting. Hope you enjoyed it and maybe we will see you become members in September.

Congratulations to Murray Harris and Bob & Eleanor Gonzales, who were this years recipients of the Henry Goosen award.

Here's a chance for you to become famous: Call for entry: For 500 Wood Bowls (to be published in 2004)

Call for entry: For 500 Wood Bowls (to be published in 2004), the sixth book in the series, we're seeking original works in wood that range from traditional, functional bowls to conceptual interpretations of the form. The images will be juried and selected for the book by Ray Leier and Jan Peters of del Mano Gallery in Los Angeles as well as Kevin Wallace, an independent curator and writer in the field of contemporary art.

No entry fee is required. Accepted artists receive full credit, a complimentary copy of the book, and a discount on purchased books.

Carefully read the guidelines below before you open, print out, and fill out the Entry Form with information on up to five pieces. Then sign the Artist's Agreement.

Guidelines

Domestic entries must be postmarked no later than July 10, 2003; international deadline is June 26, 2003

Article on Pepper Grinder mechanisms.

If you are not happy with your British made Cole and Mason pepper grinder mechanism (and who would be) try an upgrade. Lee Valley, now open in Coquitlam, has a new mechanism, made in the US - \$20 Cdn. It is a better mechanism and the grind is adjustable. I have retrofitted 3 mills so far.

Typically, I had to mount the top of the base in a jaw chuck and slightly increase the ID's of the barrel and the foot – 1/16 to 1/8 inch for a short distance, depending on the design. Quite easy with a Forstner going slowly and a small skew used flat. I then ground about 1/8 inch off the top of the stem to allow the adjusting to take place. Well worth it – I have another three to modify.

Minutes of Executive Meeting held May 26th, 2003

1. Budget was read and approved. Bank balance as of May 12th was \$3720.79. A new budget will be prepared for the start of September.
2. The June BBQ at Ed Pretty's. We have extended an invitation to the Vancouver Woodturners Guild members. Colin Delory will personally invite them at their next general meeting.
3. The Program Co-ordinators did not attend the executive meeting so next years agenda was not discussed. Bruce Campbell will demo a "Barley Twist" goblet for our September meeting.

Minutes of Executive Meeting cont.....

4. We will be applying for a license to hold another raffle for next year. Will keep you posted on the results. At this time the Government has put on new restrictions, so we won't know the outcome until we apply.
5. Four (4) members will be joining AAW and the costs will be paid from our Budget. This was agreed upon at the May 8th general meeting.
6. At the next general meeting the members will be asked to vote on the Executive Officers terms of appointment. At this time we are elected for one (1) year terms, we would like to change this to two (2) year terms for a maximum of two (2) concurrent terms.
7. Colin Delory has made up a sign-up form for Shop Crawls to be held on weekends during the Summer months, July and August. The Vancouver Woodturners Guild members also wanted to take part in this activity, so the invitation was extended to them, also.

We have arranged to combine our Shop Crawl with the Greater Vancouver Woodturners. This will provide an even greater diversity of shop layouts for us to visit.

For those of you who are not clear on what it is all about it is simply this. You, our members and the GVWG members hold an open house in your workshop between 1 pm and 4 pm on a Saturday or Sunday of your choice. The list will then be posted in both newsletters. This gives us a chance to see what machines, tools, jigs and storage methods others use and how they have arranged their shops, whether it be a dedicated space or a joint use corner of a garage or basement.

There are still a number of slots available, so please consider signing up to show off your shop or workspace. If you can't make the next meeting you can e-mail me at c_delory@uniserve.com and I will add you to the list.

7. The sign up list of members opening their shops for the Shop Crawl will be mailed out to our members as soon as all information is available. This will include the Shops that are Open, the members name and address and the chosen date for the invitation.

The Shop Crawl list will also be posted to our Website. <http://www.landslide.com/fvwg>

8. The Focus on Fundamentals demo for our June 5th meeting will be:
Sam Nelson demonstrating 2 – 1 mounting systems and Paul Wiebe demonstrating the use of the 3/8" Spindle Gouge. This will also include hands-on instruction. Start time 6:30 pm

Meeting was attended by:

Perry Niehaus, Colin Delory, Bill Olsen, Gerald Blenkarn, Margaret Eisenman, Wayne Cunningham and Ed Pretty.
