2004 PRESIDENT'S "THEME" CHALLENGES

Sept: Vase

CALENDAR OF EVENTS

Sept: Guest Speaker - Stan Clarke who will be talking about Design and Form.

GENERAL NEWS

The "West Coast Roundup Symposium", September 10th, 11th & 12th, 2004 is now fully Booked.

There is a new woodturning magazine now published in the States. Details can be found at www.woodturningdesign.com .

New Website to check out: <http://www.woodcentral.com/newforum/grinds.shtml>

A tragic accident took the life of a previous guild member "Jack Bothell" as he slept in his workshop on August 2nd, to avoid the summer heat. While the cause of the fire is unknown we do know that it smouldered for several hours before breaking out into open flames. It was carbon monoxide produced by this smouldering, that took the life of Jack.

A grim reminder of the importance of safety in the workshop and the need for smoke and carbon monoxide detectors. Jack will be missed by many.

Pamela Scott from Urban Hut Design is creating an E-Shop featuring artwork, home décor and giftware and is looking for Woodturner's to sell their "Turnings" on the site. Any Woodturners interested can contact Pamela via e-mail: pjscott@shaw.ca for more information.

We would like to extend our Thanks to the Members who opened their Shops for the Summer Shop Crawl. Many Thanks to all that attended.

Sam Nelson would like to organize a "Wood Swap", where Members would bring their wood to the meetings and Swap/Trade with other Members. If anyone would be interested in having this Wood Swap then contact Sam Nelson at the next meeting and maybe we could have one for October.
