GENERAL NEWS

There is a new Woodturning Magazine now published in the States. Details can be found at <http://www.woodturningdesign.com>

Our Library now has a subscription for this Magazine.

Check out this website. It is quite an interesting site. It gives you the names of the different wood species from light to dark coloured. If you click on a specific species it will open up to show a picture of the wood and a description of it. <http://www.woodworking.org/WC/woodsamples.html>

Editors Notes:

With commitments in December we have found that we do not get enough of our Members and their spouses to show up to our Xmas Social. At our November meeting, it was voted on that we have a Social function in January, when attendance would be greater and hopefully less stressful for all, after the Xmas rush.

We would still have our annual Auction with proceeds going to Care Bears and The Abbotsford Food Bank and the Social would be Potluck, where all members would bring a food item to be shared.

Wayne Cunningham is to check out prices on renting a 5' X 5' Container, so that our Guild would have a storage area where all of the items the Guild owns can be kept in one spot. If a reasonable one can be rented, then we would require 2 – 3 volunteers to be in charge of the Container, so as to get the necessary items needed for each Meeting.

At this time we had a price of \$462.00 per year. Location and price are a major concern. If one is found that meets our criteria, then it was approved by the Guild to rent it.

There was no Executive Meeting held this month due to lousy weather. SNOW ****
